### Statistical Overview\*

The statistical overview is based on:

1. The top ranked stock.
2. The closing price is 8% lower than the 60 day high. % Change column is highlighted if it is.
3. The top ranked stock being able to be bought at the day's closing price (as published in this newsletter) less 2%, on the next trading day only.
4. The selling price is 1% above the buying price.
